

Getting Listed on TMUG's Registry of Macintosh Consultants— Instructions and Application Form

Version of September 6, 2005

Introduction

This document describes terms and conditions for a consultant's use of the TMUG's registry of Tucson Macintosh consultants (the "registry"). This document also contains the application form that you fill out to become a listed consultant. To become a consultant, you will need to print this document, fill out the application form, and physically transmit it back to TMUG.

As background for this document, see the users guide to the registry in the PDF document entitled "User's Guide to TMUG's Registry of Macintosh Consultants" available on TMUG's web site through URL <<http://tmug.com/consultant.php>>. All provisions of that Users Guide are incorporated in this document by reference.

Who can be Listed in the Registry?

Persons determined to be of good character who are TMUG members and who are knowledgeable in one or more areas of how to use the Macintosh computer are eligible for registry listing.

What Does a Listing Cost?

Registry listees must purchase a Consultant's Membership in TMUG. In addition, a registered consultant must provide a link to TMUG's web site on his/her web site, if any.

Consultant's Membership in TMUG currently costs \$60/year. If a person is already a TMUG member and wants to be listed in the registry, he/she will be upgraded to hold a Consultant's Membership after filing the Consultant's Membership application at the end of this document. No additional fee over the regular membership dues already paid will be charged until his/her TMUG dues come up for renewal. At that time, the full Consultant's Membership fee will be charged.

What Do I Get for My Fee?

A Consultant's Membership includes a listing in TMUG's web page of Tucson Mac consultants at TMUG's web site. In addition, consultants receive an institutional listing repeating their registry information in TMUG's on-line newsletter for the duration of their Consultant's Membership.

Consultants may have their listing updated to reflect changes in their consultant information by sending email to <<mailto:registry@tmug.com>>.

Revocation of Consultant's Membership

Before accepting an application for Consultant's Membership or at any time thereafter, the TMUG Board of Directors ("BoD") reserves the right at its sole discretion (1) to refuse a Consultant's Membership application, or (2) to call for changes in the copy for the registry web-site or TMUG's newsletter, or (3) to call for changes to the link to TMUG's web page on the consultant's web site. The BoD also reserves the right at its sole discretion to cancel the consultant's web-site and newsletter privileges and revert him/her to a plain, regular TMUG membership. In the event the BoD cancels a Consultant's Membership, TMUG will refund 50% of the dues paid for the Consultant's Membership.
